## **Off-market buy-back adjustment to Tax Value**

Santos today announced that following discussions with the Australian Taxation Office (ATO), it has varied the methodology for calculating the Tax Value for the purpose of its off-market share buy back.

The Tax Value is relevant to Australian resident shareholders participating in the buy-back as it impacts the deemed disposal price for Australian tax purposes of shares sold into the buy-back. Australian resident shareholders participating in the buy-back will be deemed for CGT purposes to have disposed of each share for capital proceeds of \$2.79 plus the amount (if any) by which the Tax Value exceeds the Buy-Back Price. The change in methodology is likely to result in an increase in the Tax Value for participating shareholders and, in that event, will result in a reduced capital loss or an increased capital gain as applicable depending on individual shareholder circumstances. Further information regarding the Tax Value is set out on page 20 of the buy-back booklet.

Having regard to current market conditions, it has been agreed with the ATO that the adjusting index for the purposes of calculating the Tax Value will be changed from the S&P/ASX 200 Index to the S&P/ASX 200 Resources Index and hence the Tax Value will be determined in accordance with the following formula:

$$\text{\$12.25 x } \frac{\text{Closing level of the S\&P/ASX 200 Resources Index on 29 June 2007}}{4,906.0}$$

The change in the methodology for calculating the Tax Value does not change the manner in which Santos will determine the buy-back price.

The tender period closes at 7pm (Eastern Standard Time) on Friday 29 June 2007, with announcement of the buy-back price expected to be on Saturday, 30 June 2007.

The tax calculator available on Santos' website ([www.santos.com](http://www.santos.com)) has been updated to reflect the revised methodology for calculating the assumed Tax Value using the formula above. As this change may affect the outcomes of the tax calculator, shareholders who have previously used the tax calculator to estimate the indicative after tax proceeds from participating in the buy-back may wish to revisit their calculations.

Issuer Sponsored Holders who wish to amend or withdraw their tenders must submit a withdrawal/amendment form with the registry or use the online tender facility at [www.santos.com](http://www.santos.com). Any amendment or withdrawal will not be effective unless it is received by 7pm (Eastern Standard Time) on Friday, 29 June 2007.

CHESS Holders who wish to amend or withdraw their tenders will need to instruct their controlling participant (normally their broker) in sufficient time for them to process the withdrawal or amendment by 7.00pm (Eastern Standard Time) on Friday, 29 June 2007.

Shareholders are encouraged to read the buy-back booklet carefully before deciding to participate in the buy-back, and to consider obtaining independent advice before making any financial decisions. If you require further information on the buy-back, including details of the current implied Tax Value, please contact the Santos Limited buy-back enquiry line on 1300 366 075 (within Australia) or +61 3 9415 4612 (from outside Australia).
